

Inspiring infinite potential

Children aged 10 – 14 years old

INTRODUCING TECHNOVATION ACADEMY'S ENGINEERZ GOT SKILLZ ELECTRIC STEM SUMMER CAMP

Looking to have some big time holiday fun? Well check out Technovation Academy's and Tropicana Community Services STEM summer camp. For one week, campers will have the opportunity to explore a variety of exciting STEM activities including electronics, robotics, coding and more programs. Participants can also anticipate visits to engaging field trip destinations.

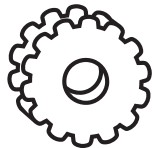

Participants have the opportunity to learn new skills and knowledge and collaborate with peers to plan, design, and prototype inventive ideas into reality.

LOCATION: St Barnabas Elementary School,
30 Washburn Way, Scarborough

CAMP DATES: Monday, July 31st – Friday August 4th, 2017
9:00 AM – 4:00 PM

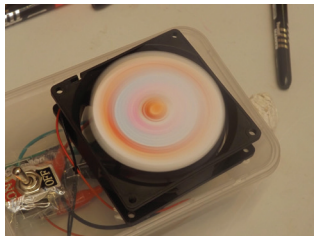

Morning and Evening supervision will be provided

COST: \$120.00 per student
